**03/26/2020**

**Coronavirus Update (COVID-19):**

*We hope you are all staying healthy during this time. As you all know, the COVID-19 pandemic continues to affect our lives. We are grateful to report that at this time we have not had any reports of individuals we serve or staff that have had a COVID-19 diagnosis and we hope to keep it that way. We continue to encourage staff and the individuals we serve to practice the preventative measures recommended by the CDC and MDH which include frequent handwashing, social distancing, encouraging staff to stay home when sick, and frequent cleaning and disinfecting.*

*Many of you are likely aware of Governor Walz' recent decision to enforce a "Stay at Home Order" beginning on Friday, March 27, 2020 at 11:59 pm through Friday, April 10, 2020 at 5:00 pm. At JEC Miller, Inc. we will be assisting the individuals we serve and staff in respecting the restrictions that have been put in place to slow the spread of COVID-19. We will also continue to encourage the individuals that we serve to participate in activities both indoors and outdoors based on the recommended guidelines of extreme social distancing.*

*We encourage friends and family members to utilize electronic forms of socialization during this time in compliance with the "Stay at Home Order." We know that the individuals love being able to connect with their loved ones no matter the form. We will also be uploading some photos of the individuals and what they have been up to over the next few weeks so they can share with all of you. We are looking forward to the days when we can reconnect in other ways and appreciate your understanding during this challenging time. If you have questions or ideas about how to best stay connected, please reach out on the website! We also encourage you to visit our website if you are looking for more information or resources during this time.*

*For the most up-to-date information on the COVID-19 outbreak please refer to the CDC, WHO, and the MN Department of Health (<https://www.health.state.mn.us/diseases/coronavirus/>).*

*Thank you and stay healthy!*

Sincerely,

Your Dedicated Team at JEC Miller, Inc.
